SUMMARY

Highly motivated and creative fresh graduate with a strong passion for design, looking for an entry-level position as a Web, UI/UX, and Graphic Designer, where I can utilize my knowledge, skills, and expertise to make a meaningful impact on projects and teams. Committed to continuous growth while contributing to the success of the organization.

SKILLS

Area of Interest: Web Design, UI/UX Design and Graphic Design
Tools: Adobe Photoshop and Illustrator, Figma, Canva, Wix, Capcut, VS Code, Git, Autodesk Sketchbook and Microsoft Office (Word, Excel, and PowerPoint)
Front-End Technologies: HTML, CSS, JavaScript, Bootstrap and Sass

WORK EXPERIENCE

Web System Developer Intern - Land Registration Authority (April 2023 - June 2023)
- Designed and prototyped a system using Figma tool.
- Developed the system prototype using HTML, CSS, JavaScript, Chart.js, PHP and MySQL.
- Collaborated with the co-intern team to assist in the seamless integration and migration of data from ring binders to excel to import into the system.
- Imported thousands of excel data (approximately 20,000+ cases) into the system.
- Presented the system to supervisors.
- Created and maintained documentation for the system, including technical specifications and user manuals.
- Received recognition from supervisors for completing the system and being a reliable intern.
